

*They have given their lives to the service of the church,*  
**CAN YOU HELP SUPPORT THEM?**

The need is great for patrons of the Canons Regular of St. John Cantius. The word **patron** comes from the Latin *patronus*, meaning, “one who defends or supports”. For the price of *one latte a week*, you can help support a man who is called to the priesthood to study at the seminary. Together, we can help form the next generation of holy priests that will be entrusted to carry on the Catholic Faith.

**Become a patron** by supporting our men. We need partners in the ‘Restoration of the Sacred’.
